Teamwork

OBJECTIVE

To work in an innovative, cooperative and competitive environment where I can learn, explore and enhance my skills and contribute using my strengths to achieve personal and organizational goals.

EXPERIENCE

November 2017 – Present

At New Vision Digital (Noida) , looked into the academy operations. This included managing the academy's website along with it's marketing. I also created web pages for new clients.

August 2017 – October 2017

At LIMETRAY (New Delhi) , helped in managing the new customer's websites by assisting tasks to design and web team. We took customer queries and assisted them throughout the product delivery process.
