

AKSHI TYAGI

Project Manager

akshityagi995@gmail.com

+91-9315270209

PERSONAL STATEMENT

Breaking down complex product problems and designing their solutions for more than 3 years. Experienced in collaborating with creative and development teams for the execution of ideas and driving product growth.

MANAGERIAL SKILLS

Project Management
Resource Management
Feature Development
Cross-team Management

WORK EXPERIENCE

Project Manager at Creable, Dec 2021 - Present

While working closely with the founder, my main focus during this role is to drive growth, adoption and launching new features. Being a small team in a new niche, we have to move fast to drive results and attract new users. This involves a lot of user research and then shipping new features quickly.

TOOLS & LANGUAGES

- Asana
- Linear App
- Notion
- HTML 5
- CSS 3
- React JS

Project Manager at Heeko, Dec 2019 - Dec 2021

Managing a team of developers and designers to deliver in-house as well as client projects on time. Creating project documentation and building websites from scratch, while ensuring the code is scalable and responsive.

LIVE PROJECTS

- <https://italic.com/>
- <https://notpot.com/>
- <https://heeko.com/>
- <https://trend.io/>

Project Manager at Muzelf, Nov 2018 - Dec 2020

Took user feedback and worked closely with the tech team to have them implemented. Co-ordinated with users to help them in setting up their online art portfolio and assisted the buyers throughout the sales process.

EDUCATION

B.Tech in Electrical Engineering,
2013-2017

Customer Success Specialist at Repup, Jun 2018 - Nov 2018

Built a strong relationship with clients to understand their expectations from the product during on-boarding. Managed feedback from clients and gave product improvement suggestions based on their inputs.
